The ancient legend states that the first-born is lone successor to the crown and possesses magic to control the land. Arasa and her twin sister begin their research in different directions to solve the dilemma of their birthright. Their adventurous travels and judgments help decide the future of the Empire.

Elemental Magic Summary

From wizards to weathermen, many know the powers of the four elements-natural forces that can direct the fates, change destiny, and unite lovers in the most unexpected ways. Now, those magical elements-air, fire, water, and earth-come together in perfect balance, and a perfectly unique romance anthology, from four charmed authors.

And in Earth discover the ultimate in profound pleasure from Jean Johnson, "a fresh new voice in fantasy romance" (Robin D. Owens).
