

Elemental Magic - Birthright

Review by: [Robin Snodgrass](#)

Arasa is on a quest to prove that she is the firstborn twin and, therefore, heir to her father's Flame Sea throne. She and her sister, Kalasa, have been searching for a way to prove who was first born, each going in different directions with their investigation. Arasa finds an ancient text stating the true heir would make a barefoot pilgrimage from the "Womb to the Heart". The land will protect the heir as she makes the journey over treacherous land, barefoot and weaponless.

Elrik is a sorcerer or mage who assists Arasa at a pivotal time in her search for the Womb. He agrees to assist her in her quest as the enigmatic Arasa intrigues him. After joining Kalasa and her fiancé, the four set out on their journey together. However, someone in their group is not what they appear to be and there is treachery afoot. Who will complete the journey and become the next ruler of the Flame Sea? Will the burgeoning love between Arasa and Elrik survive the scrutiny if she is the chosen heir?

BIRTHRIGHT is an exciting fantasy romance. Jean Johnson has penned another winning tale that will draw readers into a new realm to explore and savor. It is brimming with sensuality and adventure. Vivid details add remarkable depth to this fascinating and entertaining story. Arasa and Elrik are wonderful characters whose realistic interaction and witty dialogue propel the story to superb conclusion. BIRTHRIGHT illustrates why Johnson is a rising star in the paranormal romance genre.

ELEMENTAL MAGIC is jam-packed with action, romance, and intrigue. The heroes and heroines are delightfully realistic. They are so well described that they come to life in the pages of this remarkable book. I felt each emotion as the characters experienced them, whether it was amusement, sorrow, fear or ecstasy. These four authors from such diverse writing backgrounds came together to create an extraordinary book containing something for every paranormal fan. All four stories touched my heart. Reading ELEMENTAL MAGIC is the perfect way to enjoy a magical autumn day!
