Christmas is a time of joy, and what better way to celebrate it than an anthology featuring four top notch authors....

*Gifts of the Magi* by Jean Johnson concludes this anthology. Steve Bethel and his fiancé, Rachel Rutherford, are trying to make a living from the Bethel Inn. A freak blizzard has led to cancellations of all of their scheduled guests, leaving a mortgage they can't pay due to their miserly banker. However, unexpected visitors have arrived and miracles will be in store this Christmas.

What an enchanting tale! Jean Johnson has crafted a very clever tale that touches on the holiday spirit for all religions. The universal theme of helping another in need is shown clearly throughout this heartwarming story. The love between Rachel and Steve runs deep, and their sudden fortunes are sure to bring a smile to even the most miserly.

AN ENCHANTED SEASON is the perfect blend of stories to warm up those cold winter nights. Maggie Shayne, Erin McCarthy, Nalini Singh, and Jean Johnson provide readers with their own unique brand of stories in this superb anthology.
