

“Enchanted Season - Gifts of the Magi”

Rated: 4/5

An Enchanted Season is a Christmas season anthology containing the works of Maggie Shayne, Erin McCarthy, Nalini Singh, and Jean Johnson. The first story by Maggie Shayne, Melting Frosty, tells of Matthew and Holly. Matthew is a man haunted by painful memories of the past. Holly also has a painful past but chooses to embrace love and peace instead of anger.

Rachel and Steve are not having a very good Christmas season. Their country inn is on the edge of ruin and the incoming blizzard has scared off all the guests. That is until three unlikely strangers arrive to make their Christmas wishes come true. Gifts of The Magi by Jean Johnson brings the spirit of the Christmas season to life.

An Enchanted Season is exactly what a reader needs on a cold wintry night. These four stories bring out all the best of the season. Love, friendship, and good will towards others are themes that make the hectic Christmas season a relaxing one. I rate this book at 4 out of 5 hearts. A great holiday book!
